Mrs. Amanda Jones, *Band Director*

Dear Symphonic Band Parents,

This is a reminder that our performance of the National Anthem at the Echoes of Excellence Marching Band Competition is this **Saturday, October 19**. Students will need to arrive at 4:45 P.M. **to the grassy area outside of the band room** dressed in their band polo, jeans and sneakers. If you are late in arriving, we will have moved to the school cafeteria for warm up. We will perform the National Anthem together with Green Cove Springs Junior High and Wilkinson Junior High at 6:10 P.M. You may pick your child up **by signing them out with me** from the grassy area outside the band room following our performance at 6:30 P.M. All performances are mandatory and this will be worth 50 points toward their participation grade. Since we are performing for the finals of the competition, **there will be a charge** for parents to come in to watch our performance. I have five chaperone wrist bands to give out to my first five volunteers to stay and help out.

The address for Middleburg High School is: 3750 County Rd 220, Middleburg, FL 32068

All-County Auditions: All-County Auditions will take place on November 2 at Lakeside Junior High. **Audition times have been printed on the back of this letter.** Arrive at least half an hour before your audition time and report to the band room for warm-up. Signs will be placed around the bandroom to lead students to their audition room. Parents must stay on site but are not allowed inside the audition room and everyone should leave following the audition. Band Polos and black pants is appropriate attire or students should dress nicely.

Musically,
Amanda Jones
Band Director, LAJH
